CO-FOUNDER

2018 - 2022

BUBBLES & KRAUT (Fermented Food Business)

As an innovative food start-up founder, learn and experience all sides of running a business. From branding, marketing, financing, selling products, and offering services, I gained a diverse range of new personal skills.

GRAPHIC DESIGNER

2016 - 2018

IMPACT HUB VIENNA (Social Impact Community, Coworking space)

Working as a Graphic Designer as part of the Communication Team at Impact Hub Vienna, create and help design communication materials, to help such as booklets, posters, social media marketing, and many more small and big projects making the Hub a more sustainable and empowering place, inspiring for the young entrepreneurs.

CREATIVE ARTWORKER

2013 - 2015

TAG WORLDWIDE (A Global Brand Services Agency)

Provide skilled and technically precise input and support to the agency and design studio, this role often grows to include providing artistic direction on projects, strategic planning, and creative and promotional marketing services. Also, as a valuable member of the studio's team, have organizational skills and attention to detail.

IN-HOUSE GRAPHIC DESIGNER

2009 - 2012

IMAGE SOURCE Ltd. (Photo Library)

Take direction where appropriate from the director to build an understanding of the brand values and in-house design style, also to develop a skills base in relation to Design practice and aptitude with the necessary software. Develop new skills independently and keep up to date with new technologies and trends within the field of design. Provide design support to Sales, Marketing, and Creative as well as other teams in the company. Maintain and develop the brand image.
